High School Ballroom Mission Statement

"Our mission is to provide an opportunity for students to learn fundamental skills for International style Ballroom & Latin as well as American Smooth & Rhythm dancing. By offering quality teacher training in current methods and concepts, students build strength, balance, and movement quality. Students can prepare for competitive experiences through High School Team Match events where they can qualify for scholarship money to further their training. These opportunities can prepare the students for future scholarship auditions and team placements at the university level."
